

REMI OGUNBONA

FORENSIC SCIENTIST

SPECIALISMS

- ★ Cell Site Analysis
- ★ Radio Frequency Propagation Survey
- ★ Digital Media Investigation

CAREER OVERVIEW

Mr Ogunbona is currently employed by Keith Borer Consultants as a Forensic Scientist specialising in Cell Site Analysis.

EXPERIENCE AND EXPERTISE

Mr Ogunbona's previous employment includes seven years at South Yorkshire Police, where he served as a Communications Data Investigator and Radio Frequency Propagation Survey Technician. During this time, he conducted Cell Site Analysis, authored comprehensive reports (both for defence and prosecution), and presented evidence in Crown Court.

Mr Ogunbona has regularly provided strategic digital advice for serious offences, including homicide and large-scale drug supply. He has also provided live time support to assist in locating high-risk missing individuals.

Mr Ogunbona has gained extensive courtroom experience, presenting as an expert witness and providing testimony in relation to Cell Site evidence.

Mr Ogunbona is qualified with City and Guilds in "Next Generation Communications data" and has vast experience of the Regulation of Investigatory Powers Act 2000, Investigatory Powers Act 2016 and telephone data analysis.

In 2019 he achieved a City and Guilds qualification in Radio Frequency Propagation Surveying.
