

LOUIE HOLBROOK

DIGITAL DEVICE SPECIALIST

QUALIFICATIONS

- Bachelor of Science (Computer Science) with First Class Honours, Newcastle University

EXPERIENCE AND EXPERTISE

Mr Holbrook has a Bachelor of Science degree with First Class Honours in Computer Science from Newcastle University. He joined Keith Borer Consultants in 2021 as a digital forensic investigator and specialises in the extraction and examination of digital devices including the examination of mobile telephones and tablet computers.

He performs examinations that include the following:

- Examination and interpretation of evidence from mobile telephone handsets, tablet computers and SIM cards including the recovery of deleted information.
- Social media account examinations such as Facebook, Instagram and Snapchat.
- Obtaining device backups from Apple iCloud accounts.
- Extraction and interpretation of information from memory cards including the recovery of deleted information.
- Forensic consideration of various mobile telephone applications.
